

**§24.304 Withdrawal, default and disqualification penalties.**

(a) When the Commission conducts a simultaneous multiple round auction pursuant to §24.302(a)(3), the Commission will impose penalties on bidders who withdraw high bids during the course of an auction, or who default on payments due after an auction closes or who are disqualified.

(1) *Bid withdrawal prior to close of auction.* A bidder who withdraws a high bid during the course of an auction will be subject to a penalty equal to the difference between the amount bid and the amount of the winning bid the next time the license is offered by the Commission. No withdrawal penalty would be assessed if the subsequent winning bid exceeds the withdrawn bid. This penalty amount will be deducted from any upfront payments or down payments that the withdrawing bidder has deposited with the Commission.

(2) *Default or disqualification after close of auction.* See §1.2104(g)(2) of this chapter.

(b) When the Commission conducts single round sealed bid auctions or sequential oral auctions, the Commission may modify the penalties to be paid in the event of bid withdrawal, default or disqualification; provided, however, that such penalties shall not exceed the penalties specified above.

(c) In the case of single round bidding for narrowband PCS licenses:

(1) If a bid is withdrawn before the Commission releases the initial public notice announcing the winning bidder(s), no bid withdrawal penalty will be assessed.

(2) If a bid is withdrawn after the Commission releases the initial public notice announcing the winning bidder(s), the bid withdrawal penalty will be equal to the difference between the high bid amount and the amount of the next highest valid bid. A bid will be considered valid for this purpose if the bidder has not already been designated the winning bidder on more licenses than it is permitted to be awarded. Losing bidders will only be subject to this bid withdrawal penalty for a period of 30 days after the Commission releases the initial public notice announcing the winning bidders.

(d) In the case of oral sequential bidding for narrowband PCS licenses:

(1) If a bid is withdrawn before the Commission has declared the bidding to be closed for the license bid on, no bid withdrawal penalty will be assessed.

(2) If a bid is withdrawn after the Commission has declared the bidding to be closed for the license bid on, the bid withdrawal penalty of §1.2104(g) and paragraphs (a) (1) and (2) of this section will apply.
